

Curriculum Vitae

Name: kobra

Last Name: hamdi

Address: Iran, Tabriz, South Artesh St., alzahra hospital

Phone: 00984115539161

E-mail: hamdi_kobra@yahoo.com

Sex and Marital Status: female, married

Birth Date: 29/may/1968

Education: General Medicine: September 1987-Aug 1994
Tabriz University of medical sciences

PHD in obstetrics and Gynecology: September 1994-aug 1998
Medical faculty of Tabriz University
Fellowship of infertility: September 2006 – march 2007
Tehran University of medical sciences

Licensure:

Honors/Achievements:

Academic Positions:

Associated t professor of gynecology obstetric-Department medical faculty of Tabriz University

Teaching Experiences:

- General Obs & Gyn for midwives from 2000
- General Obs & Gyn for medical students from 2000
- General Obs & Gyn for residents from 2000
- Infertility for fellowships of infertility from 2011

Administrative Experiences:

- Head of Delivery Unit in Taleghani hospital for more than 7years.
- Research assistant of ob&gyn department for 3 years
- Responsible for proper implementation of medical recording in Taleghani hospital
- Educational assistance of alzahra hospital

Research Interest: infertility

Publications in International Journals:

1/ preconception period of seminal fluid exposure and prevalence of preeclampsia in primigravida women Bastani P, Hamdi K, Abdollahi M. Journal of medical science, NO 5, vol 7, July 2007

2/ Risk factor for preeclampsia in multigravida women. Bastani P, Hamdi K, Najafi H. Research journal of biological science, NO 1, vol 3, July-March 2008

3/ prediction of latency interval in preterm premature rupture of membranes using sonographic myometrial thickness, journal: Pakistan journal of biological sciences
Journal: Pakistan journal of biological sciences
Authors: Kobra Hamdi, Parvin Bastani, Hajar Hosseini MD
Year of Publication: 2010

4/ relation of serum and sperm malondialdehyde and total antioxidants with sperm parameters in infertile men
Journal: American journal of immunology 6(3):43-49, 2010
Authors: Acbari, Mostafavi, Kobra Hamdi (8 author)
Year of Publication: 2010

5/ The diagnostic value of transvaginal ultrasonography compared with bishop score in predicting cesarean section after induction for labor, International journal of women's health . Accepted for publication, 26/Mar/2011

6/ effects of vit E supplementation on some pregnancy health indices: a randomized clinical trial. International journal of general medicine. Parvin bastani. Kobra hamdi. F. abbasalizade, nazli navali 2011; 4 461-464

7/ novel immunotherapeutic approaches for treatment of infertility.
Biomedicine & Pharmacotherapy , available online 31 October 2016 , samaneh abdolmohammadi-vahid , ..., kobra hamdi

8/ follicular fluid PIGF/sFlt and soluble receptor for advanced glycation end-products correlates with ovarian sensitivity index in women undergoing ART.
J Endocrinol Invest . H. R. Nejabati A. Mota ... k. hamdi , DOI
10.1007/S40618-016-0550-5

9/ Effect of Flushing Endometrial Cavity with follicular fluid on implantation rates in sub-fertile Women undergoing in vitro fertilization. Nigerian Medical Journal .

10/ Perinatal outcome in relation to mode of delivery in Meconium-Stained Neonates

Elaheh Ouladsahebmadarek¹, Mohammad Hossein Hoseinian², Kobra Hamdi³, Morteza Ghojazadeh⁴ Pak

11/ Association between Thrombophilia and Repeated Assisted Reproductive Technology Failures

Kobra Hamdi¹, Maryam Vaezi^{1*}, Behrooz Dagigazar¹, Mahzad Mehrzad

Sadagiani², Laya Farzadi^{1,2}, Maryam Pashaei-Asl^{2,3*} J Med Sci January -

March 2012 Vol. 28 No. 1 13-16

Advanced Pharmaceutical Bulletin, 2012, 2(2), 233-237

12/ Comparison of Pregnancy Rate in Simultaneous Human Chorionic Gonadotropin Administration with Intrauterine Insemination Vs. Standard intrauterine Insemination

Sahar Molaee¹, Kobra Hamdi^{1*}, Shahla Danaii¹, Alieh Gasemzade¹, Bahman3mouzandeh² AInternational Journal of Women's Health and Reproduction Sciences

Vol. 2, No. 4, Summer 2014, 249–25

13/The Role of Heparin in Embryo Implantation in Women with Recurrent Implantation Failure in the Cycles of Assisted Reproductive Techniques (Without History of Thrombophilia)

Kobra Hamdi; M.D., Shahla Danaii; M.D., La'ya Farzadi; M.D., Sedigheh Abdollahi; M.D.,

Allahverdi Chalabizadeh; M.D., Somayae Abdollahi Sabet; M.D.

Women's Reproductive Health Research Center, Tabriz University of Medical Sciences, Tabriz, Iran

Received January 2015; Revised and accepted January 2015

14/The Effect of Local Endometrial Injury and GnRH Agonist on Pregnancy Rate in Patients With Recurrent Implantation Failure

Laeia Farzadi¹, Arefeh Fakour^{2*}, Alieh Ghasemzadeh¹, Kobra Hamdi¹, Sedigheh Abdollahi Fard¹,

Mohammad Nouri¹, Behroz Niknafs¹, Vahideh Shahnazi¹

International Journal of Women's Health and Reproduction Sciences

Vol. 4, No. 1, January 2016, 34–37

kobra hamdi,...

15/Study of pentoxifylline effects on motility and viability of spermatozoa from infertile asthenozoospermic males.

Ghasemzadeh A¹, Karkon-Shayan F², Yousefzadeh S¹, Naghavi-Behzad M³, Hamdi K
Niger Med J. 2016 Nov-Dec;57(6):324-328.

16/ The Effects of Combined Low-Dose Oral Contraceptives and *Vitex Agnus* on the Improvement of Clinical and Paraclinical Parameters of Polycystic Ovarian Syndrome: A Triple-Blind, Randomized, Controlled Clinical Trial

Mahnaz Shahnazi,¹ Azizeh Farshbaf Khalili,² Kobra Hamdi,³ and Parvaneh Ghahremaninasab^{1,*}

Iran Red Crescent Med J. 2016 December; 18(12):e37510

Publications in Iranian Journals:

1/Hamdi k, Bastani P, Gaffaria R. The influence of maternal ketonuria on fetal well-being tests in post term pregnancy.

Archives of Iranian Medicine (AIM), vol 9, number 2, April 2006

2//Hamdi k et al. Irritable bowel syndrome in preterm labor. Research in medicine, medical university of Beheshti. 2009, summer, 165-168

3/EFFECT OF ORAL RITODRINE ON IMPLANTATION RATE OF IN VITRO FERTILIZATION-EMBRYO TRANSFER CYCLES

Mahzad Mehrzad Sadghiani *, Kobra Hamdi, Morteza Ghojzadeh, Golriz Sobhi
*Associate Professor of Obstetrics and Gynecology, Fellowship of Infertility,
Department of Gynecology, Tabriz University of Medical Sciences ,
sadaghianim@tbzmed.ac.ir*

Volume 24, Number 7 (Monthly-Oct 2013) | ۵۵۶-۵۵۰ : (۷) ۲۴ , ۲۰۱۳ , دانشگاه علوم پزشکی ارومیه

17/ Effect of Addition of L Carnitine in Polycystic Ovary Syndrome (PCOS)

Patients with Clomiphene Citrate and Gonadotropin Resistant

Slomaz Latifian, Kobra Hamdi* and Ramin Totakhneh

International Journal of Current Research and Academic Review ISSN:2347-3215

Volume 3 Number 8 (August-2015) pp. 469 - 476

Conference presentations (National):

1/ Comparison of maternal and fetal complication of conservative management with delivery in severe preeclamptic women with preterm fetus. 8th International congress of obg&gyn 4-8 oct 2003 Tehran-IRAN, oral presentation

2/ study on relation between feeling of movement decreasing and biophysical profile results in women with term pregnancy. 8th International congress of obg&gyn 4-8 oct 2003 Tehran-IRAN , poster presentation

3/ A survey of prevalence of asymptomatic bacteriuria in preterm labor. 9th international congress on obs & gyn, 21-25 nov 2004, Tehran, poster presentation

4/ study on demographic factors influencing pregnancy outcome in twin gestation. 9th international congress on obs & gyn, 21-25 nov 2004, Tehran, poster presentation

5/ A woman with molar pregnancy and a live fetus. 9th international congress on obs & gyn, 21-25 nov 2004, Tehran, poster presentation.

6/study on patient's survival after radical hysterectomy. 2th international congress of oncology, 19-22 may 2004 Esfahan-IRAN, poster presentation

7/ Advanced abdominal pregnancy. 6th international congress of ob & gyn, 25-29 nov2005, Tehran- oral presentation

8/ Relation between gender and preterm birth. 6th international congress of ob & gyn, 25-29 nov2005, Tehran- poster presentation

9/ study on prevalence of irritable bowel syndrome in patients with preterm labor. 10th international congress of ob & gyn, 18-22 nov2006, Tehran- oral presentation

10/ Iron deficiency anemia and preterm labor. 10th international congress of ob & gyn, 18-22 nov2006, Tehran- poster presentation

11/ survey of correlation between maternal age obstetric interventions in primigravida women. 10th international congress of ob & gyn, 18-22 nov2006, Tehran- poster

12/prediction of latency interval in preterm premature rupture of membranes using sonographic myometrial thickness, journal: . 8th International congress of obg&gy 28 Oct-2 nov20

12/ rupture of hydatidic cyst during cesarean section. 9th international congress of ob & gyn

Research Projects:

Books Translated (English to Farsi):

Translation, compilation and collection of a book:

Fundamentals of family planning

Supervision of Thesis:

1/ Evaluation of early complication of macrosomia in mother and newborn

2/ study on rate of satisfaction of admitted patient at treatment service in Taleghani hospital

3/ study on prevalence of irritable bowel syndrome in patients with preterm labor.

4/ prediction of latency interval in preterm premature rupture of membranes using sonographic myometrial thickness

5/ A survey of prevalence of asymptomatic bacteriuria in preterm labor

6/ comparing of ectopic pregnancy in taleghani and alzahra hospital in 1995-1996 with 2002-2003

7/ The influence of maternal ketonuria on fetal well-being tests in post term pregnancy.

8/ The role of platelet count in prediction of incidence of preeclampsia

9/ effect of addition of L- carnitine in PCO patients with clomiphen citrate and gonadotropin resistant

10/ cytogenetic study of peripheral blood of couples with recurrent abortion and aborted fetus

11/ the role of heparin in embryo implantation of women without thrombophilia recurrent implantation failure in assisted reproductive thechnology cycles

12/ effect of injection of follicular fluid into uterine cavity implantation rate in IVF cycles

13/ comparing effect of oral contraceptive LD and vitaex agnus in improved clinical parameters of pco

Skills:

Diagnostic and operative laparoscopy and hysteroscopy

Member of Associations:

- Iranian society for reproductive med
- The international association of Iranian Gynecologists & obstetrician
- Research council clinical research unit
- Committee of: medical documents
 - Medical staff and nursing staff
 - Internal evaluation in taleghani hospital
- Committee of External evaluation of medical university
- Committee of election and the type of residents promotion examination
