11. Adnexal Mass Tabriz Al-Zahra Hospital; 26 Jan 2017

Research projects:

- Gynecologic oncology
- Obstetric gynecology
- Surgical techniques
- Surgical instruments

Skills:

- Surgery
- Education
- Research
- Invention

Member of Associations:

- Iranian Society of Gynecology Oncology (IRSGO)
- National Association of Iranian Obstetricians & Gynecologist (NANGO)

Inventions:**MV flexible cannula for uterine suction curettage**

This invention has patent certificate No.2016.08.15- 89 596 with an International F16K classification and has the following achievements:

- Platinum Medal, International Warsaw Invention Show - IWIS 2016 , 10-12 October
- Nuremberg, Germany in 2016 Diploma - special award (China)
- Silver Medal, Bangkok International Intellectual Property, Invention, innovation and Technology Exposition 2-6 February 2017
- Iranian National Elite Foundation Festival: Selected-March 2017
